Numbers Club

The renewal letters for the 2017-18 Numbers Club have now been sent out. Please return these to school asap and then the May draw can take place. We hope that you all can support us again with this and thank you to those who have already returned them. If you could manage to sell any more to family and friends there are some spare forms in the porch. Thank you for your support.

Children and Families Art and Crafts Afternoon Wednesday 5th May - Whitsuntide Float

The workshop is from 1:30 to 4:30 p.m. Refreshments will be provided. This should be a great community event; a chance to socialise whilst having fun working with your child. A big thanks to those who managed to come on Wednesday to preparation session, things are now organised so we can hopefully have a very productive afternoon.

If anyone has any old dustsheets, bedding etc that we can use to paint the boards on, it would be very much appreciated. Please could children have some old clothes to change into at school on Wednesday, we cannot guarantee that the paint will come out when washed!

Tissue paper is still available in the porch for flower making!....We need a lot of flowers!

A massive thanks to local company Haldane Fisher at Cloughton who have generously given us the wood for the float, which is very much appreciated.

Plea from Class 1

If anyone has any of the following they don't want anymore Class 1 would really appreciate them:- Pots and pans, kitchen utensils (wooden spoons etc) old baking trays, funnels, large plastic bottles (2lt). Thank you
