## Whitsuntide Float

What a fantastic turn out on Wednesday to help prepare for the Whitsuntide float, pupil's and adult's were certainly very productive and an amazing amount of work was completed. Thank you all so much your help is always appreciated.

## Plea from Class 1

Class 1 now have loads of pots and pans etc for their outdoor provision, thank you for those who have disposed of their old items, we love them.

## Sports4School Athlete Event

Stuart Robinson will be joining us in school on Wednesday afternoon we are sure that the children will enjoy participating in the sport and listening to Stuart's inspirational story.

## Sainsbury's Vouchers

Sainsbury's are no longer giving out the active kids vouchers so have a look in the bottom of your bags and drawers and send all in vouchers asap then we can place an order for free equipment.

## School Grounds

Just a little reminder that if your child is not involved with after school clubs on a Wednesday or Thursday please leave the grounds asap, allowing the coaches and children to concentrate on the activities being offered.. Any other nights you can stay as long as you like and enjoy the play area.

## Assessment Week

Assessments for Y6 and all Class 2 take place next week. They have been working very hard preparing for these tests and we know they will each do their best. Full attendance during the week is important as we have to adhere to the exam timetable and exams missed cannot be repeated. Early nights so that the children are alert and able to concentrate would be good. We emphasise that this should not be a time of anxiety but a chance to shine and show what our super children can do.

## Family Picnic Day

There will be a parish and school picnic day at Cloughton Hall on Sunday 25th June.
