Easyfundraising

Please see attached the information about raising money for school by simply shopping on line. A few of our parents have registered and money has already been raised. It is easy to do, you just need to remember to go to the website first before buying anything online.

Lets try and raise money the easy way! <https://www.easyfundraising.org.uk/causes/claughtonstmarys/>

The Nasio Trust

This is an organisation looking for old red gingham uniforms, which will be sent to a school Kenya. Angela Spar is willing to co-ordinate this for us, so if you have any please send them into school.

Hot School Meals

Thank you for completing the questionnaire. We received replies from the parents of 27 out of 29 pupils. Only five pupils want to take a daily hot meal in school. Unfortunately, with such small numbers it is not financially viable for a private provider to supply hot meals to the school. We will of course continue to provide a packed lunch for those pupils who want one.

Before and After-School Care

A small number of parents have expressed an interest in Before and After-school Care. We are pursuing this further and will let you know if we are able to provide this in the future.
