New York !

There was great excitement in Class 1 on Thursday when we had a live link up to Malvern School District, New York , America. Children were keen to ask lots of questions about each others schools. This was definitely technology at its best and hopefully the school link will continue for a long time. The class teacher will be visiting family in Claughton over the holidays so we will be looking forward to welcoming her after half term to show her round our lovely school in person.

Football

Despite the low number of schools participating last Friday in the small schools tournament the children really enjoyed it, were a credit to school and gave 100%. It was lovely to see the two participating schools including individual pupils from another school who hadn't quite enough to make their own team. Mr Grecic works tirelessly at Garstang Academy to host all the sporting events for primary schools and we feel it is important to support these as they give all our children the opportunity to compete and have fun. Thanks to Mrs Britton too.....dedication on a Friday night!

Easy Fundraising

We have a few new supporters which is great! Always remember to visit the site first before purchasing online. Any additional money for school is really appreciated. Every little helps!

Half Term

We all hope that you have a lovely, restful half-term, returning to school on Monday 19th February. Then if the next half-term goes as quick it won't be long until the Easter bingo!
