Claughton St Mary's

..... and finally

I would like to thank the children, parents, staff and Governors for a productive and fruitful school year. We are blessed to have such an enthusiastic and supportive community which really makes a positive contribution to our school.

We especially thank our children in Year 6 (Guy, Oscar, Grace, James, Thomas and Alysha) who have contributed to our school in so many ways over the years and we wish them every continued success in the future.

Please find attached the results of our recent parent questionnaire which celebrates the good things that we do and suggests areas to improve which I will endeavour to do in the new school year.

Have a lovely Summer!

Thank you

G. McKevitt
