11th Sept 2020

Congratulations to our Stars of the Week

Class 1: George for great number work.

Jasmine for writing a wonderful story.

Class 2: Ellie for some great written work to describe a setting.

Jacob for embracing challenging work on Place Value in Maths.

Dropping off and Collecting from School

There will be some construction work starting hopefully next week in the early years area, obviously care will need to be taken when dropping off and picking up.

The children who are using the minibus will be escorted out of school first, before the other children are collected.

Can we respectfully ask that only one parent accompanies their child/children to ease congestion.

- **Please can Class 2 children** enter and leave school via the front porch. When parents have dropped off /pickup could they continue along the ramp and exit school grounds via the playground and the large gates at the opposite end of school, keeping to the left hand side.
- **Please can Class 1 children** enter via the large gates on the right hand side of Class 1 and leave on the left hand side via the large gates.
