

## Congratulations to our Stars of the Week

**Class 1:** Rupert for careful listening, excellent discussion and amazing fractions work finding one half and one quarter of shapes and quantities!

Oliver for being so engaged and interested in our new topic, Megastructures and the Royal Family. You've been great at sharing your new learning with others too!

**Class 2:** Josh for a fantastic start to the new term. Josh has settled into Class 2 really well, made friends and tried his best in all lessons this week.

Holly for her effort and contribution to group work in maths lessons this week.

Happy Birthday Wishes to

George who was 5 on the 5th April, Layla who was 7 on the 10th April, Oscar who was 8 on the 13th April and Dexter who will be 5 tomorrow the 17th April.

We would like to say a massive welcome to Millie, Josh and their family who joined us this week. You have already made lots of friends and it is lovely that you are now part of our St Mary's family.

Mrs Jennings will also be joining us as a TA in Class 2 in May after being successful at the recent interview.

## Numbers Club

Our April Numbers Club Winners our, 1st prize Mrs Charlotte Miller and 2nd prize Mrs Pauline Rowe.

## Lateral Flow Tests

Please try and keep our school community safe by adhering to Government regulations regarding Covid restrictions. Everyone in England can now get twice-weekly COVID tests for free under a new effort to keep the journey out of lockdown on track. All school staff are testing twice weekly and we urge you as parents to do so as well.

## Swimming

Whole School swimming will definitely start on Wednesday 5th May. Please make sure those costumes fit. Hats are needed for girls and also boys if hair is too long.

## Website

Check out the school website for any new updates, the school newsletter and our new school video.
